Obituary

Millie Palmer, you have died at age 28 from complications of malnutrition in Jefferson City, United States.

Unfortunately, you were unable to climb the economic ladder during your lifetime. At the time of your birth, your family was living in a modest house. At the end of your life, your family was staying in a temporary shelter. At the time of your birth, your family was having adequate food for consumption. At the time of your death, your family was starving.

A friend in need is a friend indeed. You sought help from a close friend at a difficult time in your life to support you and your family. Your friend was kind enough to offer his/her support for two years to your family.

At the time of your death, you were alone. You are survived by mother Georgina, father Isaac, 3 brothers and 2 sisters.

At the time of your death, you weren't working. You left your family with a 181796.08000000002 Dollars (\$181796) debt that needs to be paid off.

You completed school successfully. You successfully started your first business Barber at age 21 with yearly investment of 85140 USD . Thereafter, you worked as a Cashier throughout your life.

At the age of 21, you moved out of your parents' house which was Modest to your own which was Simplest.

You remained unmarried in life.

You never donated blood. You have donated your Heart, Liver, Eyes, Kidney, Skin and Lungs to help the needy in the society.

That was your life. A life worth learning from. May your next life be very different and bring you new adventures!!
